

Dear Representative,

I am weary of the increasingly narrow representation of viewpoints in the media and fear for the open exchange of opinions and information necessary for democracy.

I urge you and your colleagues in Congress to promote a diverse, balanced and competitive media. Please stop the FCC rule change on June 22nd.

We allow media companies to use the airwaves in exchange for their assurance that they're serving the public interest, and it's the FCC's job to make sure that it is so. Please hold the FCC to its mandate and oppose the rule change.

Sincerely,

Molly Hoffer
